EDITOR'S NOTE

TNF is one of the few organizations, that has remained committed in the U.S. to its primary mission of catering to the education needs of students in India, even during the pandemic. So often, our good deeds are guided by an emotional response – not that there is anything wrong with it – but intentional goodness has far-reaching consequences. Since its inception, the ABC Education initiative has assisted over 90,000 students – and the number is steadily growing – with their education needs, a well-planned and executed operation, and as TNF members, we all are enablers for this great initiative. We should all feel proud to be part of the organization.

While we all felt the oppressive and lingering impact of the pandemic, the poor and the less privileged were the most impacted, as it happens when there is a calamity. The leadership team of the TNF, here in the U.S. and those operating out of Chennai, stepped up to the challenge in finding ways to continue to reach out to the deserving students and provide them with virtual classes and coaching for higher education.

Without failing, Usha Chandra has been publishing the monthly Newsletter on the last day of every month. I am glad I could assist her as she adhered strictly to the practice of her predecessors. She has been bullish on the growth of the TNF Summer Internship program and its extension, the TAYMAI grant, as she strongly feels that the continued functioning of our organization squarely resides on the shoulders of the next generation, our children born and raised in the U.S.A. I sincerely hope her successor will continue to strengthen this great initiative.

Retirement planning of every family mandates sufficient funds stashed away in various forms. The same holds for a philanthropic organization. If we all wholeheartedly support the Mann Vaasanai initiative and help it meet its financial target, then for generations to come, people of Tamil Nadu will receive benefits in various forms, including education, health, relief from natural calamities, career opportunities, etc.

I am glad to be of service to the TNF initiatives by providing help in their publications.

Ravi Subramanyam
New Jersey, U.S.A.

Greetings from the President வணக்கம்!

Dear TNF Members, Friends and Patrons,

The onset of the Covid-19 pandemic in 2020 and 2021 translated to a daunting challenge for my role as the TNF President. Our normal channels of social services in Tamil Nadu had to be carried out with a great degree of ingenuity and flexibility. With the able assistance of the TNF staff on the ground in India and our committed members in the U.S. we took recourse to a multitude of virtual engagements to simulate gatherings, meetings and fundraising events. It was quite heartening to see the continued generosity of many of the ardent supporters of TNF who opened their hearts and wallets to help the needy and the underserved.

During this year, TNF successfully conducted two major virtual fundraising events. For their part, TNF Chennai came up with the unique idea of Special Coaching Classes to the students in the ABC Schools, as well as for those appearing for the NEET exams, a challenging requirement for MBBS & BDS programs in the medical and dental colleges.

In May 2021, TNF joined hands with a multitude of organizations such as ATEA, Indiaspora, Fetna, ATMA, IIT Madras Foundation, IIT MANA, CTA and many others to raise nearly **One million dollars** to fight the Covid-19 resurgence in Tamil Nadu through the HelpTNBreathe Campaign. This is the first time that so many Tamil organizations have come together for one cause.

During the fiscal year 2020-2021:

The ABC Education Initiative has grown with many Chapters and individuals adopting districts and schools. To date, we have 125 partner schools in 15 districts and more than 90,000 beneficiaries. As you well know, the ABC initiative opens doors for many slow learners and underserved children all over Tamil Nadu. TNF Chennai conducted Special Coaching Classes in 12 districts that have benefitted **1282 students**. In 2021, **1658 students** attended the ABC classes and **1723 students** received soft skills training, for a total of **4663 students** benefiting from these programs. Coaching for the NEET exams were held for students in Thiruvavur and Nagapattinam districts.

Mann Vasanai: The largest initiative of TNF targets to raise funds (to the tune of \$ 9 million+, \$ 250,000 per district) to sustain the TNF projects in each of the 38 districts and the Union Territory of Puducherry. Nagapattinam, Namakkal, and Sivagangai have raised more than 60% of Phase I goal of 50 lakhs per district. With your help, we can fund all of them in the very near future.

Operational Efforts:

- The current Bylaws governing TNF activities were drafted by the Board of Directors at its inception. In 2021 the TNF Board appointed a Bylaw Committee to review and propose relevant revisions, and the committee's amendments were approved by the General Body. The amended bylaws give provision for two of the general directors to be Directors of Youth and Communication, and Technology management. Henceforth, the mode of communications to the general body will be only by electronic mail except for the few members without email.
- TNF Policy and Procedure Manual was created to give clarity to the roles of the various offices and their responsibilities.

Fundraising Efforts:

- TNF USA conducted Online Live Music Programs in August 2020 and January 2021 and raised close to **\$175,000.00** for the ABC Initiative and the Mann Vaasanai Projects.
- In fiscal year 2020-2021 TNF received a total amount of **\$666,524** for the various board and individual projects – a significant accomplishment considering the challenge we faced during the pandemic.
- TNF supporters from the US helped to raise more than **\$21,000** for the Covid-19 India Relief fund. This money was donated for RT PCR machines, PPEs, Oxygen concentrators in the most affected area hospitals in Tamil Nadu.
- TNF Chapters raised about **\$36,981** for the Covid-19 USA Relief fund to be given to Food Banks in various cities in the U.S.
- TNF Chicago Chapter raised **\$37,485** for the purchase of an RT-PCR Machine, a rapid screening assay, for Stanley Medical College and Hospital in Chennai.

TNF Service and Education Initiative: Since its inception the TNF Summer Internship program has enriched the lives of 134 U.S. born Tamil Youth from all across the country. Per the program's design and intent, these students spent time in various cities in Tamil Nadu, connecting to their roots and more importantly learning about the challenges faced by the local students in learning.

The rich experience has motivated some of these youth to start their own projects to help the children of Tamil Nadu. To-date, we have seven projects created by these youth.

The TAYMAI Grants is an extension of the project initiative and is managed by the Young Professional Committee. The YPC is assuming a key role in developing youth initiatives in many cities in the U.S.

In 2021, TNF Chapters continued to face challenges in raising funds. A few chapters conducted virtual walkathons. Only in April 2021 a few of the chapters begun to have programs. During the pandemic, virtual sessions were conducted with individual chapters by the President and VP Chapters to keep in touch and to encourage the chapter members.

TNF has maintained communications with its members and supporters with the publication of the monthly e-newsletter Eegai, updates on Facebook about TNF and the Chapters, YouTube Posts of our activities, and Instagram postings.

In closing, it has been an immensely rewarding experience, making us realize that even in adversity TNF does receive a world of support from the Board Members in U.S., members of the chapters around the country, the staff at TNF Chennai, the Project Coordinators and teachers (who chose to work with the students even during the pandemic), the Chairman Thiru. Rajarethinam, the CEO Thiru. Ka.Ilango, and the Trustees of the TNF Chennai Center.

It has been a great honor, albeit a humbling experience, to be the first woman President in the history of Tamil Nadu Foundation and to serve in this difficult environment. I am very grateful for the support provided throughout my tenure by the TNF USA Board, the Chairman of TNF Chennai Trustees Thiru. S. Rajarethinam and the CEO of TNF Chennai Chapter Thiru. Ka. Ilango.

I am proud to be a part of this organization, and thankful for the opportunity given to me to be the President of this great organization that makes it its mission to serve the underserved in Tamil Nadu through Education, Women's Empowerment, Health & Hygiene, and Rural Development.

I will remain an integral part of the TNF and provide my dedicated support.

My best wishes to the new team of Board of Directors.

Thank you for your continued support for all the TNF Initiatives. Your generosity can and does make a difference!

CHAIRMAN

MESSAGE FROM CHAIRMAN, TNF CHENNAI

Vanakkam,

The year 2020 – 2021 was full of challenges and uncertainties. Consequent on the closure of Educational Institutions on account of Corona virus Pandemic, students had to go for to Online Coaching. However, access to online coaching to rural Government School Students posed logistical problems. Under these circumstances, TNF had organised Special Coaching classes in 12 districts utilizing the services of 60 ABC Teachers strictly following the standard operating procedures announced by Government for containment of the spread of COVID-19. Under this programme, 1282 rural students were benefitted.

Our decision to implement ABC Project in 19 districts in 78 schools increasing the number from the current 15 project districts covering 62 schools, could not be achieved due to lockdown.

When the schools were opened in January 2021, TNF, with the help of our dedicated field level staff conducted coaching classes for 1658 students besides imparting Soft Skill training to 1723 students upto March 2021.

During this period 200 students have received scholarship worth Rs. 4.60 million.

Another milestone in our activities in the year 2020 is the supply of medical equipments costing Rs. 5.8 million to Government Medical Institutions. These equipments have been put to use not only for diagnostic purposes but also for teaching and Research purposes.

In the Service of Tamil Society since 1983

In the light of the decision of the Government of Tamil Nadu to reserve 7.5% of the medical seats for students studied in Tamil Medium in Government schools, the need for coaching rural Government/Aided school students to write NEET has assumed importance. TNF, with the available funds has organised online coaching which has received overwhelming response from the students.

On behalf of the Trustees, officers and staff of TNF Chennai Centre I record my appreciation and gratitude to the President, Board of Directors and Donors, for their consistent support to all our activities for achieving the objectives of TNF.

TNF Annual Conference February 19, 2021, Madurai

COVID-19 INDIA RELIEF AND REHABILITATION EFFORTS

In Early 2020 Covid -19 spread rapidly throughout the world and Tamil Nadu was not spared. The situation was very difficult and the state faced a shut down. TNF USA sprang to action immediately and raised funds to help the underserved in Tamil Nadu.

TNF Chicago Chapter raised \$37,485 to provide an RT -PCR machine for Stanley medical college. Generous donations poured in and TNF was able to provide RT-PCR machine to Madurai Rajaji Medical college, PPE kits to Government medical hospital in Thiruvavur and Chengalpattu. Rice bags and essential kits were distributed. TNF South Florida chapter raised funds to provide several Oxygen concentrators and oxygen cylinders to Kilpauk medical hospital in Chennai. In total TNF raised about \$58,000 to provide the instruments and PPE kits to the most needy in Tamil Nadu.

In May 2021, 360 Oxygen concentrator, PPE kits etc. were sent to Tamil Nadu at the value more than \$500,000.

As always during urgent and difficult times, TNF lends helping hand to the needy in Tamil Nadu.

Chennai_TOICH_2020_05_05

Stanley gets fund for RT-PCR machine: After the dean of Government Stanley Medical College Hospital requested Tamil Nadu Foundation to help get RT-PCR machine to facilitate Covid-19 screening, TNF has come forward to make the donation. The machine costs of ₹132.62 lakh. Dr. Dilli Rani, Professor of microbiology, received a cheque for the amount. The machine will be used by the premier institute not only for the diagnosis of Covid-19 but also for education and research activities. Tamil Nadu Foundation is a 45-year-old charitable trust supported by more than 1,000 NRI members. Its members from the US are currently helping students studying in government schools in rural Tamil Nadu.

Build a fund that keeps giving is the best way to describe the goal of our ambitious project, “Mann Vaasanai.” Hon’ble Governor of Tamilnadu Thiru launched the project. Banwarilala Purohit during the TNF Annual Conference at Chennai on 2/19/19.

Our target is to raise \$250,000 in funds, per District, for a total of \$9,500,000. We will establish a corpus fund for each District, and the interest generated will be used to expand and sustain projects in the respective District.

The project name “Mann Vaasanai” resonates with the thoughts of many Non-resident Indians whose hearts hold a special place for the land of their birth and have the desire to ensure their future generations stay connected to their roots. It is indeed a legacy in making that each of us should be proud to partake.

In 2020, TNF increased its efforts to create awareness about the project by forming the Development & Marketing Committee, which successfully organized a unique online fundraiser in February around the theme of Valentine’s Day. As a result, many donors expressed love to the special one who made a difference in their life and donated on their behalf to the honoree’s District.

We are still in our humble beginnings of a long journey, and your support is crucial to spread the word, expand our horizons, reach to more donors and raise funds.

Consider celebrating your roots in every special occasion of your life! Your gesture to make any district of your choice move one step forward towards the target will make a big difference for years to come. So, be it your native District or the District you grew up in or the District you studied in, or the District your other-half is from, whatever may be the special connection you have with a district, celebrate the relationship with a generous heart.

And there’s more! How about you become an ambassador or a champion of your home district? Sounds exciting? Please write to us at mannvaasanai@tnfusa.org, and a volunteer will reach out to you.

For more information on Mann Vasana:

Donate generously to the district of your choice: <https://tnfusa.org/donate/>

Sow the seeds today to help grow the tree - your District, and flourish for generations to come!

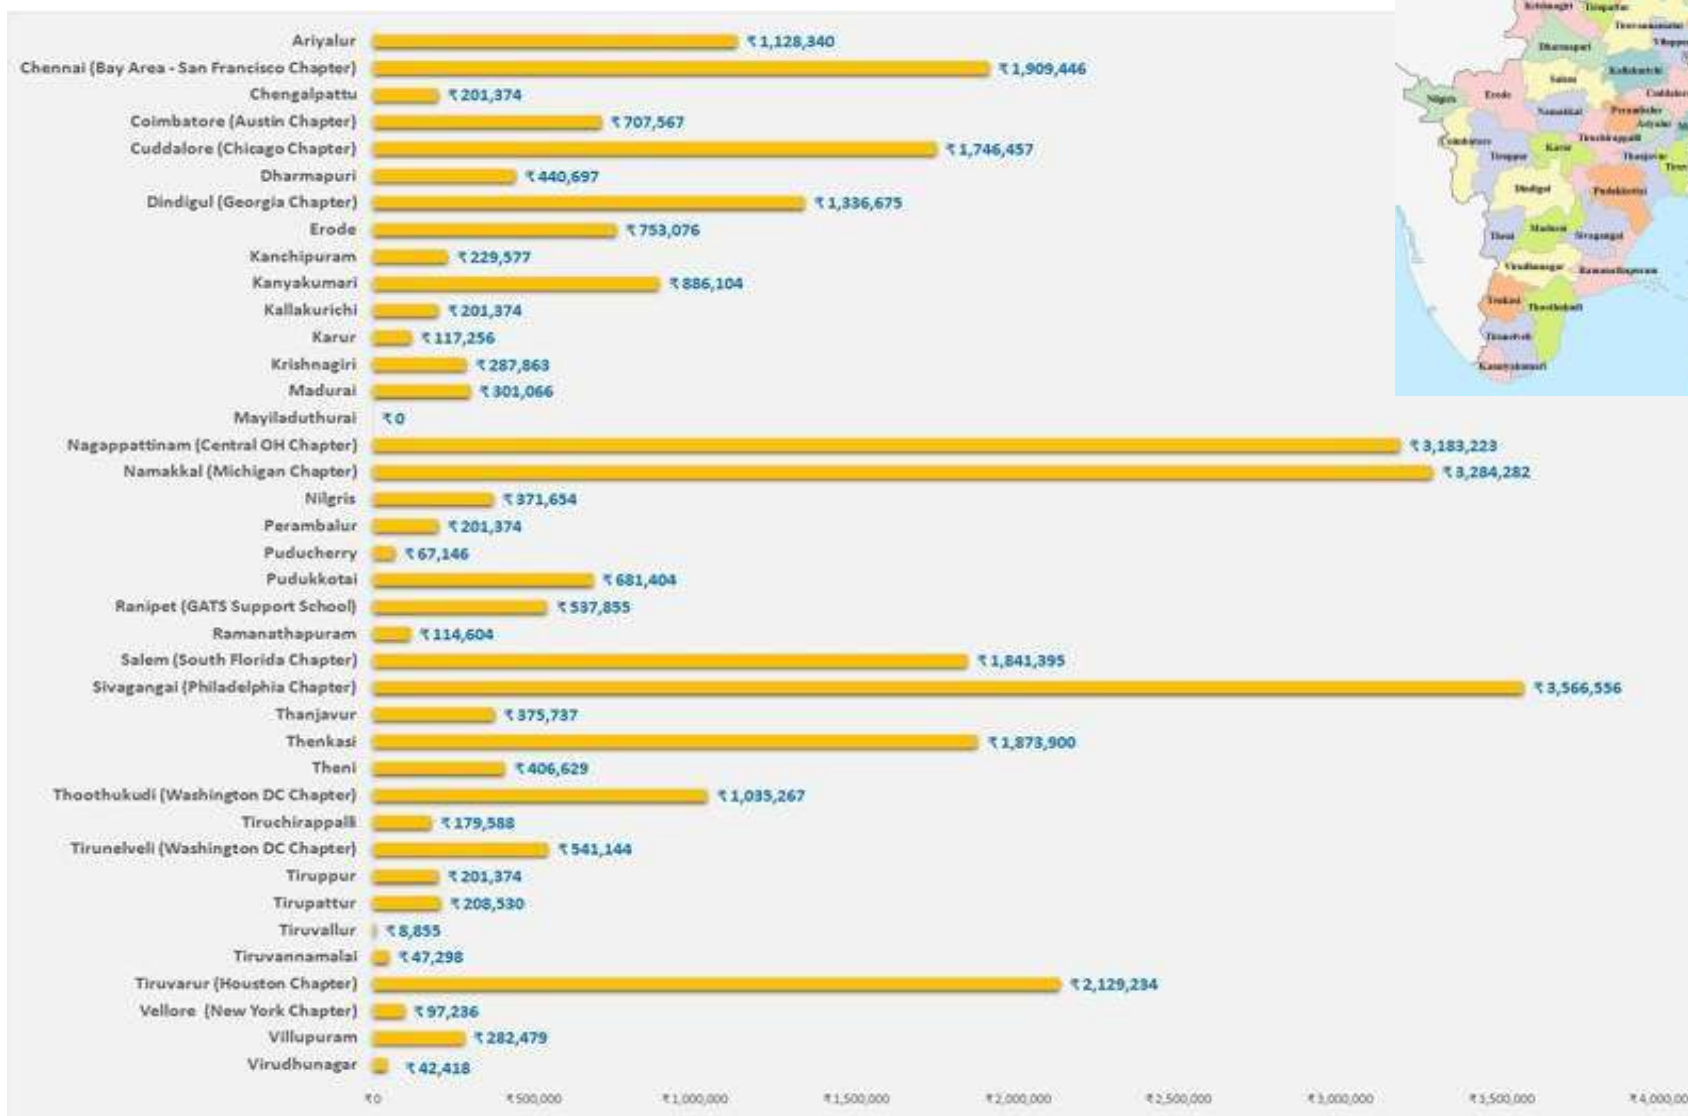

DISTRICT CORPUS FUND (As of 30th April, 2021)

Phase I Goal: Rs. 50 Lakhs for each district and Pondicherry

Only the interest generated from the funds for a specific district will be used in that district to sustain TNF USA board sponsored projects in Education.

TNF ABC INITIATIVE

TNF's ABC initiative aims to enrich and empower underprivileged students by providing resources, programs, and tools currently not provided by the school to continue their education without dropping out. This year, we further expanded the initiative to include students from 6th to 12th grade, ranging from academically challenged to highly ambitious students.

TNF has appointed Project Coordinators and teachers to closely collaborate with the school teachers to best address students' needs. As of March 2021, since its inception, 90,000 students in 19 districts have benefitted from the ABC initiative.

The three components of the initiative are:

- **Achieving academic proficiency** (The focus is on "academically challenged" students from 6th to 10th grades. One-third of the students in government schools are far below their grade level in essential reading and writing skills. Due to public exam expectations and pressure in high schools, they are likely to become school dropouts. The ABC Class helps them to improve and become grade proficient.)
- **Boosting their morale** (For all students: Training, Workshops, and Summer Camps - to address 'soft skills' like self-confidence, communication skills, time management, goal setting, teamwork, etc.).
- **Championing for higher aspirations** (10th to 12th grades: Preparing for public exams, orientation to college education, career guidance, scholarships, campus visits, career guidance, internships, job placement, becoming role models)

Special Coaching Classes: Due to the pandemic, the 2020-2021 school year was a challenge for conducting regular ABC classes. The ABC Teachers did their best by providing special coaching sessions in available spaces to help students who were willing to attend. Under this program 1282 students have benefitted.

NEET coaching classes - As a pilot project, virtual online coaching was given to 90+ underprivileged students in Nagapattinam and Thiruvavur districts, preparing for the NEET entrance exams to gain admission to medical and dental schools.

TAMIL NADU FOUNDATION CHAPTERS - ANNUAL REPORT JUNE 2021

The Covid-19 pandemic has and continues to affect TNF's scheduled activities in many ways. That includes the fund-raising efforts of TNF and its Chapters. However, challenges always provide opportunities and TNF Chapters across the nation found new and creative ways to raise funds. They hosted virtual walkathons and online events to raise funds for their projects. In spite of these challenges, Chapters collectively managed to raise \$177,000+ during the fiscal year to provide funds for the various projects that are being supported by the respective Chapters.

We also took this opportunity to initiate meetings with the Chapters on an individual basis, via online. This gave us a chance to get to know the committee members better, and answer their questions.

Many Chapters have recruited new committee members who are passionate about the TNF mission. These members have been active in proposing new ideas to publicize the organization and promote fundraising events. The term period of the new committee of the Chapters is now in sync with that of the annual event of TNF in that the new members assume charges during the annual convention held every year in the month of May.

Following is a summary of the Chapter activities for the year (Apr 2020 - Mar 2021)

Chapter Events

TNF COMMUNITY SERVICE & EDUCATION INTERNSHIP

<https://tnfusa.org/internship-overview/>

TNF Community Service and Education Internship was started in 2014. The program helps US born children of Tamil heritage to connect with their ancestral roots in Tamil Nadu, and to develop leadership skills by volunteering in the TNF projects all over Tamil Nadu.

To date 134 students from New York to California and Michigan to Texas have participated in the program.

Once life in Tamil Nadu returns to normalcy we plan to resume the internship program in 2021.

These internships have inspired the students to start projects that benefit the children they worked with! TNF is very proud of them!

TNF YOUNG PROFESSIONAL COMMITTEE TNF TAYMAI GRANT AWARDS

- TNF Young Professionals Committee organized and conducted the Youth Convention at NJ in 2018. Since then they have initiated programs like – TAYMAI Grants (Tamil American Youth Making Impact).
- TAYMAI grant is to support and encourage Youth Involvement with TNF Projects to foster a generation of service-minded individuals interested in linking with their ancestral heritage through service. The grant is provided to the youth who submit a qualified service project in Tamil Nadu based on their personal experience they had during internship or visits. YPC vets and selects suitable grant projects and grant amounts.
- We did not have any submission for the 2021 TAYMAI Grant

GAJA CYCLONE RELIEF AND REHABILITATION WORK PROJECT 2020 - 2021

Cyclone Gaja devastated many lives in the coastal districts of Tamil Nadu in November 2018. Thiruvarur, Nagapattinam, Thanjavur, and Pudukottai districts were the most affected areas.

Responding with a sense of utmost emergency, TNF immediately organized a fundraising campaign. With the support of its Chapters, partner organizations, and numerous individuals, TNF was able to extend relief to the people in the affected areas period.

- a. Construction of 9 makeshift houses to the beneficiaries in Muthanpallam village of Pudukottai District which was completely damaged during Gaia cyclone with an estimated total value of Rs.11,25,000/- with the funding support from TNF Dallas Chapter and a sum of **Rs. 4,72,500/-** was settled during this year.
- b. Repair and Renovation of classrooms damaged by Gaia cyclone was done in Government High school, Gramamedhumedu, Nagapattinam for **Rs. 3,96,500/-**

TNF SPECIAL PROJECTS

Libraries are Temples

Library serves a crucial function in shaping the future of a child. Beyond providing a valuable resource for books, in the modern world it also facilitates children, especially those who reside in rural areas, in having access to computers, and exposing them to audio and visual aids. TNF's project, "Libraries are Temples", is an initiative to establish at least one functional library per district with the appropriate infrastructure and modern digital facilities.

Computer facilities at Anvarthicanpet Library, Ranipet District

Somalay Library at Nerkuppai, Sivagangai District

Anbalayam - Home for differently abled Children, Sirkali.

An abandoned child, with special needs, in a bus depot or a public place can be a heart-wrenching sight. *Anbalayam* was started (in Sirkali) by a philanthropist to care for such children. Unfortunately, it was a major struggle for the founder due to lack of adequate resources, and the children had to be housed in dilapidated buildings, with leaky roofs and poor sanitary provisions. Thanks to the efforts of the TNF, *Anbalayam* has been transformed into a 3000 square foot building, equipped with furnished classrooms, separate toilet & bathroom facilities for boys and girls. More importantly, a corpus fund, to the tune of one crore rupees, has been established to meet the operating expenses of the facility in a sustainable manner.

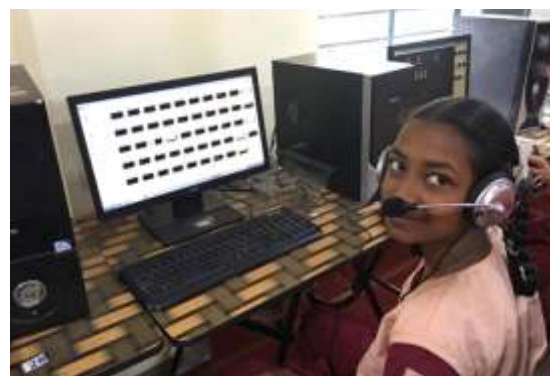

Digital Classrooms

The '*Digital Divide*' that the children in the Government Schools face is huge and wide - a stark reality between the haves and have-nots!

We have started two projects to address this issue - The "Smart Classroom Pilot Project," *Vadasithur Govt. Hr Sec School, Coimbatore*, and the "Self-Guided Digital Classroom", *Govt. Hr. Sec School, Arumbakkam*.

The projects provide digital technology with which learning has been made easier for the students in these schools.

HIGHLIGHTS OF THE TNF TAMIL NADU CHAPTER ACTIVITIES (MAY 2020 - MAY 2021)

I. ABC Education Project in Government Schools

Due to the COVID-19 pandemic government schools were closed for most of the academic year. Hence, TNF initiated the ABC “Special Coaching Classes” off campus in ABC Project areas. When schools were in session for a brief period, Soft Skill Training for high school students and the ABC regular classes for academically challenged students were conducted in the schools.

Summary of Beneficiaries:

ABC Special Coaching Class	-	1282
ABC Regular Class	-	1658
Soft Skill Training (28 schools in 12 districts)	-	1723
Total No. of beneficiaries	-	4663

II. Educational Scholarship

A sum of Rs. 45,85,165/- was sanctioned to enrich 201 underprivileged students with higher education.

III. Libraries are Temple Project

a. Somalay Memorial Branch Library, Nerkuppai

Spoken English classes and JEE Coaching classes were initiated as a pilot through online coaching by volunteers in USA. About 25 rural students benefited from this pilot initiative.

b. Anvarthikanpet Branch Library, Ranipet

The students from ABC Special Coaching classes were given computer training. A volunteer from the local area provided the training to 220 students.

IV. COVID-19 –Research and Educational Project

RT-PCR Machines were donated to Stanley Government Medical College, Chennai and to the Madurai Medical College. More than 400,000 samples were tested with these units in the first few months of use and the instruments were also useful for research studies by post graduate students. TNF also supplied 10 Oxygen Concentrators and 50 Oxygen Cylinders to Kilpauk Medical College, Chennai. Funds donated in the first phase of Covid relief include:

Stanley Medical College and Hospital	-	Rs. 32,62,000/-
Kilpauk Medical College and Hospital	-	Rs. 8,24,000/-
Thiruvavur Medical College and Hospital	-	Rs. 1,07,500/-
Madurai Medical College	-	Rs. 13,50,000/-
Chengalpattu Medical College	-	Rs. 1,13,800/-

V. Gaja Cyclone Relief and Rehabilitation work Project

- Construction of 9 make-shift houses to Cyclone Gaja affected families in Muthanpallam at Pudukottai District was completed at a cost of Rs.11,25,000/- with funding support from TNF Dallas Chapter.
- Repair and Renovation of classrooms at Government High School, Gramamedhmedu, Nagapattinam were completed at a cost of Rs. 3,96,500/-

VI. NEET Coaching Classes

The NEET Online Tamil Medium (35 students) and English Medium (48 students) coaching classes for aspiring Medical students were conducted in Kasthurba Gandhi Kanya Gurukulam, Vedaranyam. About 35 students from Govt. and Govt. Aided schools took advantage of this new initiative. Since the Govt. of Tamil Nadu has allotted 7.5% of the medical college admissions to students from Govt. school students this coaching will be very useful for the students in the rural area.

VII. Other Activities

a. Government Higher Secondary School for the Visually Impaired, Poonamallee, Thiruvallur District

Construction of the security cabin, new roofs for classrooms and repair of the main gate and the entrance were completed with the funding support from TNF Dallas Chapter at a cost of Rs.19,46,817/-.

b. Tailoring Education

TNF has signed MOU with Apparel Training and Design Centre, a Government of India undertaking, to run an advanced tailoring education project on a rent free basis at the Chennai centre building with effect from 15th July, 2020, initially for the period of 11 months.

c. TREC-STEP
